Principals Message: Maywood Community School Goals

At Maywood we are continually working together to build on our strengths and focus our attention on areas of need.

Our Strengths: As a community of students, families, staff and partners, we have so many strengths. We are welcoming and supportive. We care about students and their families and do whatever we can to help them. We value diversity and want everyone to be included.

Social-Emotional Goal: **To improve our ability to solve problems peacefully and with confidence.** We are using the STEPs for solving problems to help us. S=say the problem, T=think of solutions, E=explore the consequences, P=pick the best solution and make a plan. We are learning about our triggers that upset us and what we can do to avoid the triggers. We are also learning to look at the size of our problem to determine the size of our reaction.

You can support learning at home: Have a family meeting and have each person share their triggers (what upsets you) and how others can support you when you are upset.

Reading Goal: **To improve our ability to understand the books and texts that we read.** We are building a love of reading by allowing choice of genre, topic and levels. We are accessing books from our library, the public library and online. In class we are challenging students to talk about the books they read through guided reading groups, reading conferences, book talk, partner reading and literature circles.

You can support learning at home: Read to your child or have your child read to you. Ask questions about the books you read What happened? Why did ….? What did you think about …? How did it make you feel?)

Community Goal: **To increase parent engagement in student learning.** We know that when parents are involved, interested and actively engaged in the school community, students are more likely to be successful.

You can support learning at home: Go to your child's class TEAM or blog to see what they are learning write a comment about their learning, ask questions on TEAMS. Follow us on twitter to see what's happening at the school @maywoodsd41. Participate in a PIE (Parent information Evening) night or attend a council meeting.

If you have any questions or concerns please reach out to any staff member by phone or email (see our website https://maywood.burnabyschools.ca/ for the contact list).
Thank you for your support. Together we can make a difference for OUR kids.

COMMUNITY NEWS

For more information on community supports please refer to Maywood Community Blog:
http://blogs.sd41.bc.ca/maywood-community/

Staff Appreciation is on March 12th—send an email or write a note to tell your teacher how much you and your child appreciate them. Staff appreciation also needs volunteers on March 12th from 8:40am—9:15am. If you would like to volunteer please email Julie Tadd at Julie.tadd@burnabyschools.ca

Community Council Meeting: The next community council meeting will be:
April 8th at 6:00pm on zoom.
The zoom link will be sent out closer to the date of the meeting.

Sunshine Note Project

Maywood has partnered up with IAK and the City of Burnaby in the sunshine project which connects schools with seniors who have been impacted by covid 19. If you're looking to do something fun with your kids and give back to the community write a letter or make a postcard and drop it off to the school. It will get delivered to a senior in our community.

Responsive Neighbourhood Small Grant:

For people who want to build community in their area. It could be hosting a cooking class or a dance class over zoom. It could be an online block party. The possibilities are endless. How do I apply? Click on this link:

https://neighbourhoodsmallgrants.ca/blog/responsive-neighbourhood-small-grants-are-open/

COMMUNITY NEWS

Clothing Drive: Do you have clothing that you no longer want? Maywood is doing a clothing drive for gently used, clean clothing on:
March 11 and March 12 at portable 4.
We will take baby, children's and young adults clothing. Please no toys or household items.

Shopping at Maywood: Do you love shopping secondhand clothing for yourself and your children? Maywood is having a free clothing exchange on:
March 31 and April 1 from 9:15am—10:15am and from 2:00pm-2:50pm.
All clothing will have been quarantined and covid safety protocols will be in place.

Looking to Volunteer?: We are looking for volunteers to help with our clothing drive. If you are available on:
March 11, 12, 29, 30, 31 or April 1
And you are interested in volunteering, please contact Julie at Julie.tadd@burnabyschools.ca.

Lost and Found: Lost and Found will be on display for parents outside the office on:
March 8 and 9
Please come and check it out to see if your child has lost an item.
Any unclaimed items will be donated.

CHOOSE Kindness

During the week of Feb 22-25 Maywood came together for spirit week in order to bring our school together during a time where we need to remain socially distant and to uplift our spirits. Each day had a different color assigned to it and it was wonderful to see many of students and staff participating in. For pink shirt day our leadership students went out and chalked positive messages between Maywood and the Skytrain station as well as creating a video about bullying. We also had a kindness matters wall where we celebrated kind acts done by students.

PARENTING LEARNING EVENT 2021

EMBRACING CHALLENGES

THURSDAYS, MARCH 4, 11, 18 and 25, 2021
6:30 - 8 P.M. * FREE
facebook.org/BurnabyFamilyLife

Adjusting to the rapid changes imposed by the pandemic has left many of us exhausted and anxious about what will come next. PLE2021 explores topics that will help families stay connected and resilient.

Working in collaboration with the Burnaby Public Library, and others in the community, Burnaby Family Life is hosting FREE online sessions to bring families creative solutions and emerging research findings to help families thrive and sustain their resiliency during and beyond the pandemic.

Parents, teachers, guardians, social workers: You are invited!
Join experts who will share knowledge during this special four-part series for this year's Parenting Learning Event. Sessions will be livestreamed on BFL's public Facebook page (no need for a Facebook account). Presentations will be followed by questions from participants. Join us!

1. THE POWER OF SELF COMPASSION - The importance of parent/caregiver self-compassion

2. SHIFTING SCREEN HABITS - The need for parent flexibility in a rapidly changing world with the increased use of screens

3. NATURE... A PLAYGROUND FOR ALL CHILDREN - The long-lasting benefits of play and the outdoors for the physical and mental wellbeing of children

4. BELONGING TO THE VILLAGE – We need connections to thrive and grow. Discussion with a parent, a parenting program facilitator and a community school coordinator.
