### **Principal's Message: Our School Plan**

This year we are focusing our teaching, resources and professional learning on two school plan goals.

Goal One is a continuation from last year: To increase students' ability to solve problems peacefully. We are learning about the STEPs for solving problems and how to apply them to real life conflicts.

S = say the problem

T = think of solutions

E = explore consequences

P = pick the best solution

We are learning about our own triggers and how to avoid getting upset. We are learning to see problems from other perspectives and to think about others before ourselves.

Families can support students with this goal by:

- Talking about the STEPs for solving problems and applying them to problems
- Talking about the things that trigger us and how we can get back to a calm place
- Ask your child to think about conflicts from different perspectives

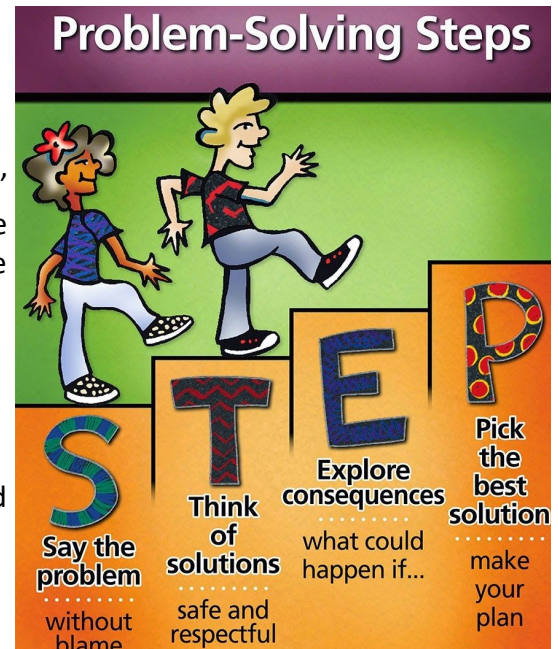

Goal Two: To increase students' ability to think deeply about the books that they read.

We are learning strategies to help us understand what we read before, during and after reading. Teachers provide reading instruction through whole class discussions, small group work and individual reading conferences. Students are learning to make predictions and connections, to question and make inferences, to summarize and synthesize. Most importantly, we are trying to engage students in reading by helping them find books that they are interested in.

Families can support students with this goal by:

- Reading to your child or listening to your child read on a daily basis
- Ensuring that there are lots of books in your home by visiting the public library, exchanging books with another family or taking advantage of sales at local book stores.
- Talking to your child and asking them 5W questions as they read (who, what, where, when, why)
- Celebrate reading as a family by reading together and talking about books you love to read

Ms. Yamamoto

# LET IT MOVE YOU™

The Burnaby School District is seeking applications for the casual, on-call positions of Crossing Guard and Student Supervisor.

Successful applicants will have:

Grade 12 education

Demonstrated ability and experience in working with children

The ability to work throughout the District and be available for shifts every day school is in session is a definite asset. Please submit a resume and cover letter to:

Grae Emerson, HR Advisor

Burnaby School District

5325 Kincaid Street

Burnaby, BC V5G 1W2

[grae.emerson@burnabyschoolsc.ca](mailto:grae.emerson@burnabyschoolsc.ca)

Only those applicants selected for an interview will be contacted.

### **DATES TO REMEMBER**

March 8—Zumba Fundraiser

March 12—Report Cards Go Home

March 12—International Friendship Dinner 5-8pm  
Div 8, 9, 10, 11 & 12

March 13—Staff Appreciation Lunch

March 13—Last day of school before Spring Break

March 16—27 Spring Break No School

March 30—School Reopens for students

## Staff Appreciation Lunch Friday March 13, 2020

The Maywood Community Council would like to invite families help show appreciation for Maywood's hard working staff at the annual staff appreciation lunch by providing a main dish for them to enjoy. Food can be dropped off in room 105 by 9:30am on March 13. If you prefer to do a small cash donation toward the lunch please do in the community room before March 13. If students of parents would like to express gratitude to a specific teacher or staff member ( or a general message of thanks ) please cut off and complete the form below and return to the community room before March 13.

*I appreciate my teacher \_\_\_\_\_ (Teacher's name) because:*

*I appreciate the staff at Maywood because:*

*From: \_\_\_\_\_*

*(Your Name)*

**THANKS  
FOR  
BEING  
AWESEOME!!**

# Reduce, Re-use and Recycle!

At Maywood, staff and students have been working hard to create less waste to contribute to a healthy and environmentally conscious community! We have been doing this by teaching students about reducing their waste, re-using things before throwing them away, and always recycling.

## The Plastic Problem!

We have started our own plastic recycling system! Each week, classes take turns sorting the plastic, and walking it to the recycling depot.

We use a lot of plastic! One of the number one thing we sort, is wrappers from snacks!

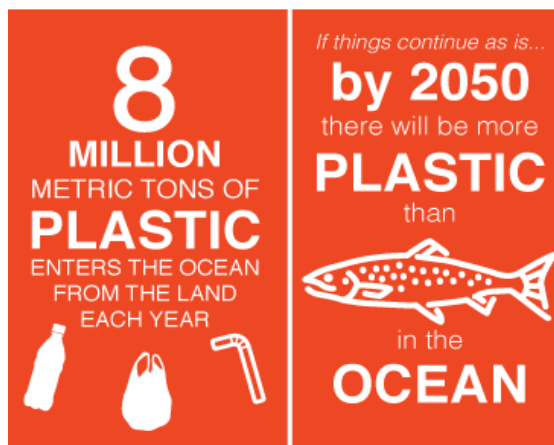

Did you know . . .

It can take up to **500 years** for plastic to break down?

Think about how much plastic you use in a day,

What happens to it?

### Here are some ways we can be environmentally friendly!

- |   |   |
|---|---|
| 1) Pack healthy snacks in a reusable container            | 2) Use re-usable cloth bags instead of plastic      |
| 3) Think about the plastic you are using, do you need it? | 4) Try packing your child a waste free lunch/snack! |
