

May 28, 2020

Dear Families,

Thank you for participating in the survey that was sent to families on Thursday, May 21st. We appreciate you taking the time to convey your intentions for your child(ren) regarding the re-opening of schools beginning June 1. We are currently in the process of ensuring that necessary preparations have been addressed to ensure a safe return for students and staff next week. ***If you have indicated in the survey that your child won't be returning to school and your circumstances change, please contact me directly before sending your child to school.***

The safety of students and staff remains our number one priority, and measures will be in place to meet the requirements of provincial health and safety guidelines for schools. To accommodate these health and safety measures, including physical distancing, classes will be limited to a small number of students attending at any one time.

The model being implemented in Burnaby's elementary schools reflects a typical school day structure, with students being assigned to a specific cohort to accommodate the smaller number of students in attendance at any one time. Most students will attend school according to their assigned cohort. Children of Essential Service Workers and students with disabilities/diverse abilities have the opportunity to attend school up to 5 days per week, upon request by parents or guardians.

As in-person attendance is optional, in-school instruction will supplement remote learning which will continue until the end of this school year. Students who do not attend in class will continue to be provided with remote learning opportunities.

The daily schedule for June is attached. Students in Kindergarten to Grade 5 will attend one of two cohorts, two days per week and students in grades 6 and 7 will attend one of two cohorts, one day per week. Wednesdays are designated remote learning days and schools will not have in-person instruction for any students with the exception of students of Essential Service Workers and students with disabilities/diverse abilities whose families have requested this support.

At Maywood there will be 5 cohorts:

Cohort A – students will attend full days on Mondays and Tuesdays

Cohort B – students will attend full days on Thursdays and Fridays

Cohort C – students will attend full days on Tuesdays

Cohort D – students will attend full days on Thursdays

Cohort E – children of essential service workers who have requested additional days will be in more than one cohort and may be attending on Wednesdays in Cohort E.

Your child's teacher will let you know your child's division and cohort for the month of June.

The schedule below shows your child's drop off and pick up times, as well as the location for entry. Signs will be posted at the entry locations. Please make sure you stay with your child until the teacher arrives so that they can do a daily health check. We need families to pick up and drop off at the exact times listed below.

Only bring essential items to school: lunch, snack, water bottle.

We are grateful for your partnership and patience and we look forward to welcoming students back into the school.

Kathryn Yamamoto
School Principal
